

Read-a-thon

What is a Read-a-thon?

A Read-a-thon is a fundraiser where participants collect donations from family and friends in exchange for a commitment to read (or be read to) during a designated time period.

How does it work?

- Participants will read for as many minutes as they can between April 1-13.
- On Saturday, April 13, there will be a **pajama party storytime-marathon** at the library.

What are we raising money for?

Programs and services that directly benefit our library members and volunteers. This includes:

- New books
- Craft supplies
- Fun activities
- Rent, heating, electricity, etc.

Pick up a donation sheet and reading log at our CEL Open Day or at the library during opening hours.
