

# Read-a-thon

## What is a Read-a-thon?

A Read-a-thon is a fundraiser where participants collect donations from family and friends in exchange for a commitment to read (or be read to) during a designated time period.

## How does it work?

- Participants will read for as many minutes as they can between April 19-26.
- Families who bring in their book logs and donations will receive a prize!

## What are we raising money for?

Programs and services that directly benefit our library members and volunteers. This includes:

- New books
- Craft supplies
- Fun activities
- Rent, heating, electricity, etc.

Print your packet at home or pick one up at the front desk during the library's opening hours.
